Evening Worship - 7:30 p.m.

Judo Gentlemen: This coming Saturday night at the High School auditorium in Bedford Va. the Bob Jones University will present a program in Judo and then present a Gospel message from it. The Host Church for this YOUTH RALLY will be the "Grace Memorial Baptist Church" of Bedford. The pastor of the church is the Rev. Howard Tally, a former pastor of the Bible Baptist Church of Appomattox, Va.

Banner Again? The young people of the Bible Baptist Church continue to keep the attendance Banner. The other churches will be doing all that is possible to take it this Saturday night. The Young People of the church would like to invite their many friends and classmates in the community to come and attend this meeting and help them retain the banner.

Meeting time? We will meet here at the church at 4:45 p.m. This will give the young people plenty of time to ride up on the busses. Free transportation will be provided.

Rev. Earnie Lucas is the pastor.

ADVENTIST CHURCH

Rufus B. McDannel, Pastor
Highlights of Sabbath School Lesson 9 - Feb. 28, 1970
Subject: Obedience Through Christ.
Key Text: "And be not conformed to this world; but be ye, transformed by the renewing of your mind, that ye may prove what is that good, and acceptable and perfect, will of God." Rom. 12:2.

Important Words and Expressions — 1 Obey and Keep His Word. The usual Greek word for "obey" means literally "to listen submissively," that is, in order to know what one should do. The word for "keep" means to "to keep watch over," "to guard and protect" "to pay attention to." Obedience then, reflects diligent purpose to know God's will and to abide by it. 2. Constraineth. The love of Christ constraineth us. II Cor. 5:14. The word translated "Constraineth" means "to hold together, to hold fast, to urge, to impel, to control." Divine love not only paid the penalty for our sins, so providing justification, but also imparts power to triumph over sin, so making sanctification possible. 3. Transformed—This is the word used in Matt. 17: 2, to describe the transfiguration of Christ on the mountain; and in Rom. 12:2, 2 Cor. 3:18, of the change that takes place in the Christian whereby he comes to resemble Christ.

Lesson Outline — (Sun) Obedience, the Test of Profession. Matt. 7:21-23. Mon — In the Master's Steps, John 5:30; 6:38. Tues — Constrained by Christ, 2 Cor. 5:14, 17, 21. Wed — What God Requires, James 1:22-25. Thurs — Living Without Sin, 1 John 3:5-9. Fri — When We Fail, 1 John 1:9 to 2:1,2.

True obedience is more than conformity to the law of God. It is a living response, motivated by love, to the voice and word of God. Sin disrupted the perfect communion between man and his Maker, but Christ restored this relationship and made it possible again to be in harmony with God's will. 1 John 2:5-6 makes this so plain. If we confess our sins, He is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness. If we say that we have not sinned, we make Him a liar, and His word is not in us. My little children, these things write I unto you, that ye sin not, and if any man sin, we have an advocate with the Father, Jesus Christ the righteous. Believers should not sin, but if the human instrument fails, Jesus our merciful and righteous advocate is ever ready to accept the errining and to renew His saving grace. Think It Through — What a Wonderful Saviour!

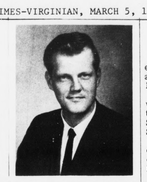
BIBLE BAPTIST CHURCH
APPOMATTOX, VIRGINIA

Rev. Norman F. Lytle



Rev. Robert M. Landes

Missions Conference Will Begin Mar. 8

The entire family will be cared for in plans for a World Missions Conference at Liberty Baptist Church, March 8-11. Four different missionaries will be present for each of the four days of the conference to share with the church their work for the Lord. Those present will be Dr. Calvin Guy, Professor of Missions at Southwestern Seminary in Fort Worth, Texas; Rev. Robert Landes, Director of Deaf Ministries for the Baptist General Association of Virginia; Mr. Don Hudson, student worker from the Baltimore, Maryland area; and Rev. Norman Lytle, missionary to Israel.

Each morning at 7:30 a breakfast and inspiration meeting with one of the missionaries will be held for young people. Also, a ladies brunch and discussion period will be held each day at 10:00 a.m. A special feature of the Mission Conference will be a display of paperback Christian books which will be on sale, plus displays of various mission fields in which Southern Baptists have missionaries. Services during the evening will begin each evening at 7:30.

STONEWALL

Where two or three are gathered together in my name, there am I in the midst of them. Matt. 18:20.

Mr. and Mrs. I. B. Wheeler went to Colonial Heights Friday to visit Mr. and Mrs. R. S. Spencer. They returned home Saturday.

Mr. and Mrs. Norman Elliott of Rustburg were dinner guests of Mr. and Mrs. I. B. Wheeler last Friday.

Mr. and Mrs. Ben Wheeler visited his parents, Mr. and Mrs I. B. Wheeler Sunday afternoon.

Little Miss Happy Mince who was in the hospital, was able to get home and was present at Church Sunday.

Mrs Lucille Burnett and Aubrey visited Mr and Mrs Tilden Lee Saturday.

Messes John Alvis, Marvin Taylor, Monroe Dyess, Mr. and Mrs. Hugh Tanner, Mr. and Mrs McCray, Mr. Marshall Stratton, Mr. and Mrs. Eugene Carson, and Mrs. Carey Carson attended the funeral of Rev. Lawrence at Moseley, Virginia.

Mr Garnett Lawrence returned to Florido Sunday to his school. He will be back for Spring Vacation.

Mr and Mrs Wallace Bondurant, Richard and Clyde went to Colonial Heights Sunday to visit Mr. and Mrs. Ronnie McNutty and family.

Mr. and Mrs. Billy Carson from Culpepper spent the week end with his children and parents, Mr. and Mrs. Carey Carson.

Mr. Jack Caldwell and Mr. I. B. Wheeler went to town Monday to take calves to market.

Rev. R. P. Welch preached a fine Sermon at Hebron Sunday.

...ppo Boys ...inish With ...14 Record

The Appomattox County High ...ool boys finished their ...tball season with a 4-14 ...k for the 1969-70 season.

It was their best season in the last three years.

The Appomattox team averaged a little over 62 points per game on offense but gave up a little over 75 per game on defense. Appomattox combined with Carver-Price late in the season and seemed to show spark after a close lost to Nelson a day after the two schools joined. They then came back to beat Gretna and lost their last three, only one badly.

Sammy Page was the big man for Appomattox all year long as he averaged about 19 points per game as he went over the 20 point mark seven times this year. His high was 37 points against William Campbell and he was held to a low of 10 one time against Gretna. Page was also one of the leading rebounders.

Kenneth Hawkins was next in the scoring for the Appomattox team as he averaged about 11.5 points per game and was also a big rebounder. Paul Harvey saw a lot of action the first part of the season and finished the year, average for his first 13 games. Hawkins hit in double figures 10 times during the year with his best game being a 28 point performance against Carver Price early in the season. Harvey hit the double figure mark nine times with his 20 points against Nelson being his high for the year.

Picky Williams averaged about 9.5 per game with 196 points for the year. His high game for the year was 22 points against Jan River. Williams was also a top rebounder. The other starter for Appomattox was Bruce Norconk. He averaged about five points per game. His highest scoring game was 13 against Carver Price.

Welton Gafford, a junior from up at Carver Price, gave a big boost to the team when they joined together. He played five games for the newly consolidated school and had an average of 17 points per game. Nelson held him to five points his first game and the next game he got 31 against Gretna. Gafford is a good ball handler and shoots real well from the outside as well as rebounding good.

Appomattox will lose five players this year at graduation. They are Kenneth Hawkins, Paul Harvey, John Garrett, Harry Chambers and all district second team starter Sammy Page.

Some of the names to look for next year will be Welton Gafford, an honorable mentioned this year, Picky Williams, Bruce Norconk, Ronnie McCoy, David Johnson, and Ricky Garrett plus those young stars coming up from the Jayvees.

William Campbell scored a 105 points against the Appomattox team and it was the most points given up. William Campbell also played a good defense that allowed Appomattox to score only 47 points in the opening game. The most points scored in a game by Appomattox was 98 against Carver - Price. The least points against them was 59 by Carver Price.

There were some ball games that may be could have been won in the last quarter by Appomattox, but turnovers seemed to be a big problem and a lot of the games turned into runaways maybe in the last couple of minutes of the game. Four of their first games they lost was by a total of 30 points, less than 10 per game, so they did not play that bad, just the turnovers hurt them a whole lot.

Next year should be a year better than 4-14 with the experience of players coming up and a big desire to win.

Appo Girls Finish Season With 14-1 Mark

The Appomattox County High School girls, better known as the Rebeletts finished their 1969-70 basketball season with a 14-1 mark. This was the best record in the district, but due to a one year restriction placed on the school, they could not take part in the district tournament. Their only loss was by one point, 39-38 to Tunstall.

Appomattox had one of the most powerful offensives in the league as they scored a total of 828 points in 15 games, good for an average of a little over 55 points per game. This is almost 300 more than any other team totaled and an average of 16 points more per game. They were held under the 50 point mark only three times in the 15 games and scored a high of 90 points in one game against E.C. Glass. The defense gave up only 510 points, an average of only 34 points per game, as this was also one of the better averages in the league.

Appomattox scored overall pretty even in every quarter for the season. They had a total of 220 points in the first quarter, 200 in the second, 202 in the third, and 206 in the fourth. On the defense, a 113 points was given up in the first, 121 in the second, 124 in the third and 152 in the fourth. In the 15 games, Appomattox trailed only two times at the end of the first quarter and was always explosive enough to make a come back at any given time, even in the game they lost, they had a chance to win in the closing seconds but the shot missed.

Leonda Hudson, a senior, led the team in scoring as she set a record for most points in a game at Appomattox by getting 58 against E. C. Glass. She broke the old district scoring mark of 1083, held by Betty Haddock of Nelson, by finishing her career with 1128 points. The previous high for points scored in a game at Appomattox was 48, held by Frankie Doss and Jane Holt. Leonda scored in double figures in every game but two for her last two years and she sat out about half of those games. In her last three years, she has been held below 10 only three times. She had a total of 407 for her senior year, good for a 27.1 average. In her freshman year she scored only 91 points, in her sophomore year she had 231 and in her junior year she had 399. In her career, she has played in every game for the last two years and had scored in every one of them and has had a field goal in every game except one and that was in her freshman year. Leonda was not only a good offensive player and shooter, but passed the ball well and allowed teammates to score many times when she could have had the shot. She was also a strong defensive player as she rebounded well and also stole the ball many times during her career.

Leonda, after graduation, plans on going to Madison College and major in physicial education and coach basketball. They have a girls basketball team at Madison and she wants to play up there. She give her teammates and Mrs. Martin, coach of the team, much of the credit for doing so well.

Wanda Hillsman, also a senior, had much scoring ability as she averaged almost 12 points per game and scored pretty even in most all her games. Wanda was very accurate on shots from under the basket to shots about six to eight feet out as it was almost a sure two points if she did shoot. She had two real outstanding games last year, one a 22 points performance against Nelson where she scored all her points in the first half and the other a 23 point game where she hit on 11 of 15 from the floor against Altavista. Wanda has had business training in high school and plans on going into secretarial work after graduation.

Kay Thomas also close out a great basketball career at Appomattox. Kay has been a big defensive star for her last three years and is also a very accurate shooter from the outside. Kay scored in double figures three times last year and on a couple of occasions shot 100% from the floor, but she was always one of the stronger defensive players in the game and quickness made her an all around asset on defense. She plans on college after graduation and going into the interior decorating field.

Glenda Paulette was also a strong defensive player. She did very little shooting as she was a mainstay on the defensive boards in rebounding. In the last game of the season she had rebound after rebound and cause Staunton River to make quite a few turnovers. Glenda plans on college also by going to Radford.

The other two seniors on the team, Margaret Hunter and Brenda Marsh, were not starters this pass year, but were strong reserves. Both of them were very aggressive when in the game as Margaret was a defensive player and Brenda played offense. Margaret plans on college and has not decided whether to major in physical education or a nursing career. Brenda wants to go to work in the secretarial field when she graduates.

Graduation will take six girls from the team, but there will still be some experienced players back next year. Kathy Martin, averaged about seven points per game the last nine games after not seeing much action the first part of the year, will carry a lot of the offense next year. Lucy Martin, a spark whenever she is on the floor is strong on both offense and defense. She scored in most of the games she played in and seemed to be all over the floor at times with her quickness. Becky Harris, a starter this year, will be back. She is also strong on defense and defensive rebounding and can also give anyone a fit on offense with her shooting. Some of the other girls that will be back are Susan Oliver, Cornelia Guill, Kay Paulette, Donna Smith, and Jane Garrett along with other young stars just starting out.

Thanks To Everyone

Mrs. Carter Martin, coach of the girls basketball team, wishes to express her thanks to the fans of Appomattox for their support and cooperation in backing her and the players this past year. She would like to mention the team work of the whole team and their desire to win even though they could not go to the tournament. In her 11 years as coach she had a record of 113 wins and 43 defeats. In her last four years she has won 53 and lost 10. Her teams have a pretty good home stand going now as their last defeat on the home floor was a 35-33 lost to William Campbell on Jan 12, 1968. They won the district crown the last two years in a row and we here in Appomattox feel sure they would have bought in home again if they had went to the tournament.

I, on behalf of the fans in Appomattox, say congratulations to Mrs. Martin and the players on another great season and hope there are many more.

KIDS. THE NEW SUPER 55 COULD GET US ALL IN PLENTY OF HOT WATER.

It's a parental plot. The people who invented water heaters (you can bet your marbles they're all parents) have come up with a new one. It's better. For parents. Because it makes more hot water than old-type water heaters. And it makes it faster than most of them.

They call it the "Super 55." And they made it electric so the finky thing would be dependable. In fact, if your parents get the proper size "Super 55" for your family, there's hardly any chance you'll ever run out of hot water. Almost never!

Just think about it. With the new "Super 55," there's no more use in hiding until everybody else has taken their baths and the hot water's run out.

They're even giving $40 to people for installing them in their homes.

If we don't stop this thing now, every parent in the country might get a new "Super 55."

Enough hot water to keep every kid in the country unbearably clean. It's a dirty shame.

Vepco
Super 55. The water heater that's ahead of its time.
